

STATEMENT

FOR THE USER

To the MM Ski- sport ski and snowboard school

I acknowledge that the content of ski lessons at MM Ski Sport is organized in accordance with the highest safety and technical standards. I acknowledge that skiing belongs to a group of extreme sports which are dangerous by their nature, and in this sense, ski and snowboard training is a dangerous activity. Still I, at my own risk, give permission and consent for skiing/snowboarding classes.

I accept the obligation to report to the school, or the ski or snowboard instructor, any existing health problems that the skiing or snowboarding learner (user) has which might influence learning to ski or snowboard or that might be relevant to the personal safety of participants during ski or snowboard lessons.

I acknowledge that ski activities take place over a large area, which means that the instructor is not close to his student(s) (users) at all times and that he cannot directly intervene at all times.

The instructor cannot maintain visual contact with his student(s) (users) at all times. During a group lesson, the instructor's attention is divided among the students and he cannot supervise a particular student at all times. During a group lesson, the student (user) may have to use ski lifts without the presence of his Instructor on the same chair.
